

# **Providing a Child Safe Environment**

## **Policy**

Janelle Street Centre will ensure that children are adequately supervised at all times, organise rooms and environments to minimise risks to children, monitor and minimise hazards and safety risks in the environment, implement our *Child Protection* and our *Incidents, Injury, Trauma, Illness Policy*; and take every reasonable precaution to protect children being educated and cared for by the centre from harm and from any hazard likely to cause injury.

## **Background**

Janelle Street Centre recognises the importance of providing a safe environment for all children at our centre. All children have the right to experience quality education and care in an environment that safeguards and promotes their health and safety.

## **Practices**

The Approved Provider will:

- Ensure that sufficient numbers of educators are employed to ensure adequate supervision of children at all times. This includes educators being aware of where children are, identifying any potential hazards and intercepting when necessary. Educators are to place themselves where they can adequately see all children especially if there are blind spots in the environment.
- Adopt policies and procedures to protect children being educated and cared for by the centre from harm and from any hazard likely to cause injury.

The Responsible Person will:

- Draw up rosters to ensure that adequate numbers of educators are on duty to meet ratio and qualification requirements and to ensure adequate supervision of children at all times;
- Engage casual educators as appropriate;
- Ensure educators are aware of the need for adequate supervision of children at all times. This may include the development of supervision charts for outdoor or indoor areas; and
- Adopt policies designed to protect children being educated and cared for by the service from harm and from any hazard likely to cause injury and ensure that all educators are aware of these policies and procedures are implemented

Educators will:

- Adequately supervise children within their room/group at all times;
- Supervise all yard areas so that all children are in sight; and
- Inform the Responsible Person whenever supervision is inadequate within their room to ensure the health and safety of all children.

## **Organisation of Rooms and Environments**

The Approved Provider will:

- Make sufficient allowance within budgets to allow for the replacement of worn and damaged equipment and resources which may be a safety risk for children; and
- Make sufficient allowance within budgets to allow the adequate maintenance of all indoor and outdoor environments.

The Responsible Person will:

- Organise rooms and groupings to enable adequate supervision of children and so to minimise the risk to children; and

- Organise repairs and maintenance to equipment and environments in a timely manner.

Educators will:

- Organise indoor and outdoor spaces to ensure risks to the health and safety are minimised
- Remove any potential hazards from indoor and outdoor areas
- Inform the Responsible Person as soon as possible of repairs and maintenance needed within the service to ensure the health and safety of children and record same in the maintenance book

### **Risk Assessment**

The Responsible Person will:

- Analyse and evaluate the risks associated with identified hazards;
- Determine appropriate ways to eliminate or control identified hazards; and
- Review risk assessments after any serious incident report is made to the Department of Education and Communities.

Educators will:

- Report any risks or hazards within the centre to the Nominated Supervisor as soon as possible.

### **Child Protection**

The Approved Provider, Nominated Supervisor and Educators will comply with the requirements of the centre's child protection policy to ensure the minimisation of children's risk to harm.
